

Signals of Belief in Early England: Anglo-Saxon Paganism Revisited

By Martin Carver, Alex Sanmark, Sarah Semple

Oxbow Books. Paperback. Book Condition: new. BRAND NEW, Signals of Belief in Early England: Anglo-Saxon Paganism Revisited, Martin Carver, Alex Sanmark, Sarah Semple, This volume will throw new light on the intellect of the earliest English - the way they thought, the way they viewed the world, and the way they viewed worlds other than this. Previous understanding of the topic, well rooted in the ideas of its time, regarded the English as adherents of two consecutive religions: Paganism governed the settlers of the 4th-6th century, but was superseded in the 7th-10th century by Christianity. Of the two, Christianity, a religion of the book, documented itself thoroughly, while in failing to do so Paganism laid itself open to centuries of abuse, conjecture or mindless admiration. In developing new objectives, the papers here demonstrate that beliefs varied from place to place and were expressed in material culture. Through archaeology therefore, these beliefs can be rediscovered. Aware of the fact that even the best archaeology provides no open access to the mind, the contributors record, and study, signals of belief rather than what was believed. The premise of this volume is therefore that paganism was not a religion with supraregional rules and...
