Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

THE LOST HARE

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Lost Hare, Nina Bogin, The spare and subtle poems of Nina Bogin's third collection map personal territory - places of memory and love as much as of language and geography. An American writing in her adopted France, in the eastern border region close to Switzerland and Germany, she examines - sometimes obliquely, sometimes directly - the traces history leaves on the land and its inhabitants, while also exploring her own, sometimes uneasy, relationship to time and place in a mother tongue that has undergone French and German influences, connecting her historically to the Middle Europe of her ancestors.
