Not illustrated. 1903 Excerpt: . . . its work by the formation of local branches in all parts of the empire, these holding their own meetings under the general supervision of the main body. In connection with the recent revision of the constitution of the American Society of Mechanical Engineers this matter was also considered, and provision was made looking to the formation of such local branches when occasion should offer. As a portion of his recent presidential address before the Institution of Electrical Engineers, Mr. Robert Kaye Gray touched upon this important question, and his remarks may well be considered by other organisations at this time. Mr. Gray said: For the future development of the usefulness of the Institution there appears to me to be on matter worthy of our utmost attention. The Institution membership extends all over England and the Colonies, and we have found it a useful addition to our...
