Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Yasmini Set down my thoughts not yours if the tale is to be worth the pesa. The why and wherefore of my privilege to write a true account of the Princess Yasmini s early youth is a story in itself too long to tell here; but it came about through no peculiar wisdom. I fell in a sort of way in love with her, and that led to opportunity. She never made any secret of the scorn with which she regards those who singe wings at her flame. Rather she boasts of it with limit-overreaching epithets. Her respect is reserved for those rare men and women who can meet her in unfair fight and, if not defeat her, then come close to it. She asks no concessions on account of sex. Men s passions are but weapons forged for her necessity; and as for genuine love-affairs, like Cleopatra, she had but two, and the second ended in disaster to herself. This tale is of the first one that succeeded, although fraught with discontent for certain others. The second affair came close to whelming thrones, and I wrote of that in another book with an understanding due, as I have said, to opportunity, and with a measure of respect that pleased her.
