The President's Photographer: Fifty Years Inside the Oval Office

By John Bredar, Pete Souza

National Geographic Society. Hardback. Book Condition: new. BRAND NEW, The President's Photographer: Fifty Years Inside the Oval Office, John Bredar, Pete Souza, "The President's Photographer" gives everyday people a sneak peek into life at the chief executive's side - providing a rare and intriguing glimpse of White House inhabitants and the professionals who capture their images. Intriguing photos transport readers into the life of President Obama, from breakfast with Michelle and the girls, to tense meetings with third-world dictators, and dazzling formal events. We are treated to an insider's view of previous administrations as well, beginning with the Kennedy years and the first official photographer in 1962. Author John Bredar also takes us behind the lens, into the often surprising world of the photographers themselves. "The President's Photographer" complements the National Geographic television special that focuses on current White House photographer Pete Souza, detailing a week in his life as he covers Washington events and Obama's trip to receive the Nobel Prize in November 2009. The book covers this and much more, taking a deeper look at 20th-century history and the White House photographers who chronicled it. Engaging chapters reveal the entwined relationships of photographers and presidents, from the Cuban...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
