Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A sorcerer who is not content with using elementals for casting spells. He seeks much greater status, using demons as his source of power. Caught in the act, Lothanal is stripped of his name and banished, but first a great spell is cast, preventing his use of magic. Bitter, he wanders the land, his heart set on revenge. He makes a pact with the demons, offering one hundred souls to seal it. Only war can help him deliver his promise and given his soul is already part of the bargain he has every incentive to start one.
