Reviews

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)*

FUN PHONICS A GUIDEBOOK FOR READING

Authors Choice Press. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 11.0in. x 8.2in. x 0.2in. A guidebook for reading teachers, tutors, and students that strips away the density of most reading texts, presenting 18 easy-to-understand phonics lessons progressing from simple to more difficult English words. Each lesson describes a phonics concept, provides examples, and gives proper English usage. Presented as a series of lesson plans, the guidebook allows the instructor or tutor to teach directly from the guidebook, or use it to supplement another text. The simple, straightforward presentation is appropriate for elementary education, remedial instruction, or adult literacy classes. Lessons progress in difficulty, so that the student can read simple words after the first two lessons. The final chapters include a basic writing guide and an index of words for phonics practice. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
