# The principles and skills of project management should be taught much earlier

By Eddie Fisher

GRIN Verlag Aug 2013, 2013. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2008 in the subject Sociology - Work, Profession, Education, Organisation, grade: Keine, - (University for Economics and Management), course: Happy Projects '08, Vienna, May 2007, 3 entries in the bibliography, language: English, abstract: Project management competences are essential for the successful management of work packages in today's global business environments. Associated skills such as influencing others, negotiating and the planning and organizing of activities are vital for those who wish to be effective at whatever they do. This is not limited to the work place. These skills are fully transferable to most life and work situations. As such, skills can be used at school, college, university and in private life. These skills should be taught to young students much earlier. This paper investigates the level of project management that is currently being taught at Secondary Grammar/Gymnasium/Sixth Form schools in the UK, Austria and the Czech Republic. It appears that project management is taught at a relatively small number of selective schools only and that there is a lot of scope...
