Cassandra Bell, a lady fresh out of a mental institution, in the first installment, has made many decisions that qualify as grounds to land her back in a straitjacket. Her ruthless and impulsive acts not only have her in life-and-death situations but rip the fabric of her family into pieces. Her ambition to recruit her twin sons into joining forces with her to crown herself as NYC s Drug Queen Pen has gone terribly awry. These once very close twin brothers are now on opposite sides of the barrel! Lady Sondra s once innocent daughter, Mahogany grows more like her every day. Mahogany displays her mother s tendencies more and more as events force her to make a decision that might make people question her sanity. This installment, like the previous, will have you on edge as secrets are revealed and the family feud heats up to the point of no return. Find out what happens to your favorite characters as the beast we call REVENGE creates a bitter but sweet ending you will never forget!.
