Soloing is an important part of your playing, but practicing on your own doesn't always get the creative juices flowing because there is nothing quite like the experience of sitting in with a full band. Since jamming with other musicians is not always possible, *Sitting In: Jazz Guitar* brings the band to you! Practice comping and soloing with the same energy you get with a real, live band. Expert guitarist Jody Fisher leads you through all the tips and ideas you need to give life to your practice sessions, inspiring you to add new sounds to your growing jazz vocabulary. The DVD-ROM includes MP3 audio for every song in full-band mixes for demonstration and rhythm section-only mixes so that you can stretch out. The included TNT 2 software is the perfect practice tool, allowing you customize audio tracks for practice. Use it to slow down tracks, isolate and loop parts, and change tempos and keys.
