LIGHT AND COLOR

National Science Teachers Association, United States, 2014. Paperback. Book Condition: New. 249 x 239 mm. Language: English . Brand New Book. This book unfolds as a series of observations about light, including where it comes from, how it bounces off of people and objects, and what we mean when we say the colors of a rainbow are the colors in light. Throughout the text, informal experiments prompt young scientists to learn by doing, and impressionistic drawings bring the mysteries of...
