World Bank Publications. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 9.1in. x 7.2in. x 0.7in. This is best achieved at the outset of the program, through the design of prospective impact evaluation that can be built into the projects implementation. We argue that gaining consensus between key stakeholders and identifying an evaluation design that fits the political and operational context is as important as the method itself. We also believe strongly that impact evaluations...
