ACKNOWLEDGING THE DIVINE BENEFACTOR

Pickwick Publications, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Acknowledging the Divine Benefactor is a sociorhetorical interpretation of the Second Letter of Peter. Using multiple interpretive perspectives and emphasizing the pictorial dimensions of 2 Peter, Terrance Callan understands the letter as making the following argument: since Jesus Christ has given his followers benefits, including the promise of sharing in divine nature, they need to make a proper return for these benefits by living virtuously; and this in turn will enable them to receive the fulfillment of the promise. The occasion of the letter is that Peter's death is near. He writes so the addressees can remember his teaching after his death. The author expounds this teaching because some people do not await the future fulfillment of Christ's promises and so do not emphasize the need for virtuous living. This book uses the new form of socio-rhetorical commentary that the Rhetoric of Religious Antiquity Project is refining in the Society of Biblical Literature. Following the new format, Callan presents work in progress on 2 Peter that expands socio-rhetorical interpretation beyond its earlier emphasis on the texture of texts by framing his commentary with sections on the rhetography and rhetorical force of the text. This preview points positively forward toward the potential of fully-developed commentary on texts using this format. --Vernon K Robbins, Emory University, Atlanta, GA People have wondered whether socio-rhetorical interpretation, as practiced by Vernon K. Robbins, had much other than technical terminology to add to biblical interpretation. In his work Acknowledging the Divine Benefactor, Terrance Callan brilliantly shows just how much this methodology has to contribute. He has written a refreshingly new commentary on 2 Peter utilizing this perspective, and whether readers agree...
