THE GYPSIES AND OTHER NARRATIVE POEMS

[DOWNLOAD](#)

David R Godine. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.9in. x 5.5in. x 0.5in. Alexander Pushkin (1799-1837), Russia's greatest writer, wrote much more than his novel in verse Eugene Onegin. In this selection of five of his finest narrative poems, all his essential qualities are on display: his ironic poise, his stylistic variety, his confounding of expectations, his creation of poetry out of everyday language. *The Gypsies* is modern Russian literature's first masterpiece. Telling the anti-Romantic tale of an effete city-dweller whose search for unspoiled values among a band of gypsies ends in tragedy, it is the major but unacknowledged source for Bizet's *Carmen*. In *The Bridegroom* Pushkin turns the Romantic ballad into a whodunnit filled with sexual dread and subconscious terror. In *Count Nulin*, a deliciously comic tale of country life, he stands Shakespeare's *Rape of Lucrece* on its head: what would have happened if Lucrece had slapped Tarquin's face? *The Tale of the Dead Princess* (Pushkin's version of the Snow White story) transforms Russian folk tale into purest art, and its companion-piece, the eerie *Tale of the Golden Cockerel* (inspired by his bitter experience in exile with Tsar Nicholas I), savagely politicizes the folk-tale form. Antony Wood is one of the very few translators who can bring Pushkin authentically alive in English. If, as *The Tablet* has said, he comes close to the translator's ideal, so Simon Brett comes close to the illustrator's. This well-known engraver has captured the essence of each of these poems in a single dramatic image, from the firelight reverie of the title poem to the grisly action of *The Bridegroom*. *The Gypsies* is a double masterpiece: a masterly translation of Pushkin for today and a triumph of the illustrator's art. This item ships from multiple locations. Your book may arrive from Roseburg, OR,...
