It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

SALEM CHAPEL

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.TOWARDS the west end of Grove Street, in Carlingford, on the shabby side of the street, stood a red brick building, presenting a pinched gable terminated by a curious little belfry, not intended for any bell, and looking not unlike a handle to lift up the edifice by to the public observation. This was Salem Chapel, the only Dissenting place of worship in Carlingford. It stood in a narrow strip of ground, just as the little houses which flanked it on either side stood in their gardens, except that the enclosure of the chapel was flowerless and sombre, and showed at the farther end a few sparsely-scattered tombstones-unmeaning slabs, such as the English mourner loves to inscribe his sorrow on. On either side of this little tabernacle were the humble houses-little detached boxes, each two storeys high, each fronted by a little flower-plot-clean, respectable, meagre, little habitations, which contributed most largely to the ranks of the congregation in the Chapel.
