Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

WRITE IT RIGHT

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The authors main purpose in this book is to teach precision in writing; and of good writing (which, essentially, is clear thinking made visible) precision is the point of capital concern. It is attained by choice of the word that accurately and adequately expresses what the writer has in mind, and by exclusion of that which either denotes or connotes something else. As Quintilian puts it, the writer should so write that his reader not only may, but must, understand. Few words have more than one literal and serviceable meaning, however many metaphorical, derivative, related, or even unrelated, meanings lexicographers may think it worth while to gather from all sorts and conditions of men, with which to bloat their absurd and misleading dictionaries. This actual and serviceable meaning not always determined by derivation, and seldom by popular usage is the one affirmed, according to his light, by the author of this little manual of solecisms. Narrow etymons of the mere scholar and loose locutions of the ignorant are alike denied a standing. This item ships from La Vergne, TN. Paperback.
