Many of the players interviewed in GW have cited it as an influence on their development as guitarists. Here's a chance to experience the workout in its original form and to learn some of the things Vai has done to develop his formidable chops and remarkable music vocabulary. In this book, Steve Vai reveals his path to virtuoso enlightenment with two challenging guitar workouts one 10-hour and one 30-hour which include scale and chord exercises, ear training, sight-reading, music theory, and much more.
