Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A long time ago there lived a man who had the biggest head in the world. Into it he had crammed all the knowledge that might be gathered from the four corners of the earth. Every one said he was the wisest man living. If I could only find a wife, said the sage, as wise for a woman as I am for a man, what a race of head-pieces we could bring into the world! He waited many years before any such mate could be found for him: yet, at last, found she was-one into whose head was bestowed all the wisdom that might be gathered from the four quarters of heaven. They were both old, but kings came from all sides to their wedding, and offered themselves as god-parents to the first-born of the new race that was to be. But, to the grief of his parents, the child, when he arrived, proved to be a simpleton; and no second child ever came to repair the mistake of the first.
